Thank you for your email.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray?

The city of Menlo Park has already increased its staff levels to an unsupportable level. Please help to defeat AB 1250 which would accelerate Menlo Park's payroll and pension costs towards a budget meltdown.

Thanks,

Brooke
